

**LET
PRAISE
ARISE**

john sellers

This is not a compilation of worship songs, rather, the gathering of a body of believers to exalt and magnify the name of our Lord. Almost all of this album was recorded live, with additional vocals and instruments added in the studio. Our intention in doing this was, as much as possible, to capture the anointing and flow of an actual worship service. The prayer of heart is that you, the listener, will be drawn into that worship experience. Come, join us in songs of adoration as we give honor to the King of Kings!
